

**Learning
Sharing
Growing**

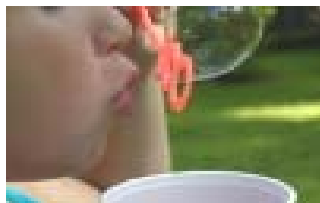

For children 2-5 years

In our beautiful setting, we experience nature, play sports and games, enjoy our fenced in playground, and cool down with water play.

Our drama classes let us express ourselves through movement and music.

Arts and crafts provide a creative outlet and a time for self expression.

Science and cooking round out our fun. With experiments and treats, we learn and enjoy each lesson more than the last.

for Little People**

ABOUT OUR PROGRAM

Parents can choose a 3, 4, 5, or 6 week experience for their children 2-5 years old (PreK).

Our program has been designed to create the ultimate camp experience for children within this age group.

Our scenic grounds and spacious air conditioned building allow for an incredible array of activities,

The Pre-School of Temple B'nai Or was established in 1966.
