Yvette Manassis Corporon is a three time Emmy Award winning writer, author and television producer. Her debut novel, *When the Cypress Whispers* has been translated into 14 languages and is an international best seller. Yvette is currently a senior producer with the syndicated entertainment news show *Extra*.

Something Beautiful Happened seventy years after Yvette's grandmother helped hide a Jewish family on a Greek island during WWII. Yvette set out to track down their descendants and discovers a new way to understand tragedy, forgiveness, and the power of faith and kindness. Her seemingly impossible search, lasting years, took her around the world -- until, miraculously, she found them in Israel. Their tear-filled reunion was halted when three days later; her own nephew was gunned down in Kansas, a victim of Neo-Nazi hatred. She was forced to face the reality that seventy years after the Nazi's were defeated, it was still happening today. **Co-sponsored with Renaissance.**
