

THE PRE-SCHOOL TEMPLE B'NAI OR MORRISTOWN

Where Bright Futures Begin

TODDLER AND ME WITH MUSIC TOGETHER January 23rd - April 10th

This fun class focuses on the developing Toddler, and creates special time for the child and their caregiver. By exploring the topic of the week we incorporate play time, a skill building project, and snack, with the incredible Music Together program. This early introduction to the school routine, combined with the social interaction for child and adult, allows for educational and emotional growth.
